Work and Internship Experience

ModalAI—San Diego, CA—Technical Documentation and Product Marketing Intern—June 2021 to Aug 2022
Responsible for the maintenance of over a hundred pages of customer facing product documentation, including updates for product releases and product specifications. Wrote user guides and product marketing content. Created diagrams. Produced a video submitted to AUVSI awards and half a dozen customer facing video tutorials.

Weatherford BMW of Berkeley—Berkeley, CA—Sales Porter
Aug 2019 to Jun 2020
Supported the sales department selling luxury cars. Organized the 400+ vehicles in the showrooms and storage lots and managed the flow of inventory between onsite and offsite storage. Stocked new and used cars, managed the battery tending process for over 200+ new cars, and ran errands as needed.

Microsoft via Murdoch Services—Berkeley, CA—Intern
Summer 2018
Performed analysis of Microsoft sales contracts based on internal team's feedback. Leveraged insights to provide recommendations for the execution of future deals. Contributed sucess story articles to the internal newsletter.

Reedcam Inc.—Shanghai, China—Web Design Intern
Summer 2017
Designed a mock website for a medical startup producing next-gen disposable endoscopes.
